

BIM 360/ACC - All Disciplines

Introduction

- BIM 360 Essentials Course offers a thorough grasp of the fundamental features and tools embedded in the BIM 360 software suite.
- Participants acquire the knowledge to efficiently manage collaborative construction projects by creating and overseeing building information models (BIM) within the BIM 360 environment.
- The course emphasizes hands-on exercises and practical examples, empowering students with the expertise to effectively utilise BIM 360 for streamlined project collaboration and documentation.

Learning Outcomes

- Comprehensive insight into the fundamental features and tools provided by the BIM 360 software suite.
- The course is designed to enhance participants' proficiency in the creation and management of Building Information Models (BIM) within the collaborative BIM 360 environment.
- Emphasis on honing effective documentation and collaboration skills, ensuring participants can leverage BIM 360 for seamless project communication and coordination.

Why Choose Skill Hub Academy ?

- Industry-Focused BIM Training with real-world project. workflows
- Expert Mentors with practical experience in global AEC projects
Hands-On Learning using Autodesk Revit, Navisworks & BIM tools
- Career Support & Skill Development to help students grow professionally.

Essential Course Details

15 Hrs. Training

1 Hrs. Daily on weekdays and
4 Hrs. on one weekend
1 Hrs. Offline class

Target Audience:

This course is ideal for beginners, CAD drafters, architects, and project managers the BIM 360 course enhances collaborative project management skills. It is also ideal for final-year engineering and architectural students seeking practical training in BIM 360 for real-world applications.

Training includes:

- Explore BIM 360 tools for effective project management.
- Create project organizations and navigate common data environments.
- Set up projects and users while mastering Revit Cloud Worksharing.

Course Certificate:

Upon completion of the Autodesk Course. Completion Certificate will be provided.
